

## Trainees, Residents, and Young IRs at CIRSE 2017

# European Trainee Forum

**Established in 2015, the ETF is the leading initiative in supporting and representing the training, educational and networking needs of young IRs throughout Europe.**

**It is...**

- **A community within CIRSE dedicated to IR trainees**
- **Led by the ETF Subcommittee**

# Activities for Trainees and Young IRs at CIRSE 2017

- **IR Trainee Session: Building an IR career**  
*Tuesday, September 19; 8:30-9:30*
- **Learn about the ETF and explore the best strategies to build your successful IR career, including:**
  - **How to develop your academic career**
  - **The fundamentals of publishing your work**
  - **Benefits of taking the EBIR Exam**
  - **How to establish your own private clinic**

# Activities for Trainees and Young IRs at CIRSE 2017

- **IR Trainee Session: Future IR technologies**  
*Saturday, September 16; 17:30-18:30*
- **Take a step into the future of IR with hot topics such as:**
  - **Future technologies of endovascular interventions and interventional oncology**
  - **Future potentials and limitations of simulator trainings**
  - **Fusion, stereotaxy and robotics**
  - **Big data, AI and machine learning**

# Activities for Trainees and Young IRs at CIRSE 2017

- **ETF Pavilion**
  - Meet, mingle, network, and engage in short talks on:
    - Grants and European mobility
    - IR training opportunities in the USA
    - EBIR Exam preparation advice
- **ETF Quiz**
  - Join in friendly rivalry with your peers to test your IR knowledge

European Trainee Forum

# The ETF is here for YOU!

You are IR's next generation and the ETF is here to make your IR visions a reality!

Share your ideas, questions, concerns, excitements, etc.
